Extra Brut, 4g/L

Dynamic attack
Nice density
Long zesty finish

Dry spring
Thunderstormy summer
Sunny september

September 12-19

Langoustine tartar

2014 MILLESIME CHRONICLE

Harvesting at the estate began on September 12 and ended on the 19th. The growing season was marked by a dry spring, followed by a particularly thundery summer, making harvesting uncertain. Fortunately, the end of the ripening period was summery, allowing for a healthy harvest and grapes reaching a good level of ripeness. Our Harmonie 2014 opens with a fresh attack, followed by crisp, dense fruitiness and remarkable length.
