Great chalky length.

Spring and summer  
Dry and mild  
Except for rainy August

September 17th-25th

Calf sweetbread with cream

## 2010 MILLESIME CHRONICLE

At the estate, the harvest began on September 17th. The year was almost entirely mild except for the month of August which was exceptionally rainy. Fortunately, the sunshine and mildness of September allowed us to harvest fully ripe grapes. This is particularly noticeable in our Magnum Passion 2010 which is greedy, ripe and precise reflecting the generosity of Bouzy's Pinot Noirs.
